

Anyday

Eric Clapton

D D/C G Bb
Heard you talking and I thought I heard you say
D D/C G Bb
Yeah, Please leave me alone
D D/C G Bb
Nothing in this world can make me stay
D D/C G Bb C G7 D
I d rather go back, I d rather go back home

CHORUS:

G C G7 D G C G7 D
But if you believe in me
G C G7 D G C G7 D
Like I believe in you
G C G7 D G C G7 D
We could have a love so true
G C G7 D
We would go on endlessly
G C G C Am7
And I know anyway, anyway, I will see you smile
G C G C Am7 D7
Any way, any way, (if) only for a little while

Well someday baby, I know you re gonna need me
When this whole world has got you down
I ll be right here, so woman call me
And I ll never ever let you down ...CHORUS

Break the glass and twist the knife into yourself
You ve got to be a fool to understand
To bring your woman back home
After she s left you for another
You ve got to be a, you ve got to be a man ...CHORUS
