

Anyday

Eric Clapton

D D/C G Bb  
Heard you talking and I thought I heard you say  
D D/C G Bb  
Yeah, Please leave me alone  
D D/C G Bb  
Nothing in this world can make me stay  
D D/C G Bb C G7 D  
I d rather go back, I d rather go back home

CHORUS:

G C G7 D G C G7 D  
But if you believe in me  
G C G7 D G C G7 D  
Like I believe in you  
G C G7 D G C G7 D  
We could have a love so true  
G C G7 D  
We would go on endlessly  
G C G C Am7  
And I know anyway, anyway, I will see you smile  
G C G C Am7 D7  
Any way, any way, (if) only for a little while

Well someday baby, I know you re gonna need me  
When this whole world has got you down  
I ll be right here, so woman call me  
And I ll never ever let you down ...CHORUS

Break the glass and twist the knife into yourself  
You ve got to be a fool to understand  
To bring your woman back home  
After she s left you for another  
You ve got to be a, you ve got to be a man ...CHORUS
