

Born In Time
Eric Clapton

Intro: **E C#m F#m Am E**

E

In the rolling night

C#m

In the stardust of a pale moonlight

F#m

I think of you in black and white

Am

E

when we were made of dreams

E

I walked alone through the shady streets

C#m

Listening to my heart beat

F#m

In the record breaking heat

Am

E

When we were born in time

E

B

A

E

Just when I thought you were gone You came back

E

B

E

Just when I was ready to receive you

B

You were smooth you were rough

A

E

You were more than enough

E

F#m

B

Ahh baby why did I ever believe you

A

I believe you

E

In the rising curse

C#m

And the wings of nature will test every worth

F#m

I took you close and I felt the reason

Am

E

And we were born in time

SOLO

E

B

A

E

Just when I knew who to find you went back

E

B

E

Just as the fire light was gleaming

E

B

You were snow you were rain

A

E

You were strife and you were pain

E

F#m

B

Oh baby can it be you've been scheming

A

Or was I dreaming

E

In the wings of mystery

C#m

In the foggy weather destiny

F#m

You re still so deep inside of me

Am

E

And we were born in time
