

Broken Hearted

Eric Clapton

B **B/G#** **C#m** **C#m/A**

When the wind blows down this hard

B **B/G#** **A** **E/A**

Many a bond is broken

B **B/G#** **C#m** **C#m/A**

See the water lie on the ground

B **B/G#** **A** **E/A**

From where the heavens opened

E **Asus2** **F#m** **B**

Lord, how will you get through this night

E/G# **C#m** **F#m** **B**

With your dreams departed?

B **B/G#** **C#m** **C#m/A**

And who alone will comfort you?

B **B/G#** **A** **E/A**

Only the broken hear-art

A **E/A**

Hear-art-ed

B **B/G#** **C#m** **C#m/A**

So you've gone beyond your means

B **B/G#** **A** **E/A**

Every wound is open

B **B/G#** **C#m** **C#m/A**

Your best laid plans are out of reach

B **B/G#** **A** **E/A**

And all your fears unspoken

E **Asus2** **F#m** **B**

Lord, how will you get through this night

E/G# **C#m** **F#m** **B**

With your dreams departed?

B **B/G#** **C#m** **C#m/A**

And who alone will comfort you?

B **B/G#** **A** **E/A**

Only the broken hear-art

A **E/A**

Hear-art-ed

F# **F#/E** **B** **B/A**

Sweet revenge is spoken then

A **C#m**

In the twilight it is gone

F# **F#/E** **B** **B/A**

To living lies with no escape

E/G# **A** **E/A** **A** **E/A**

Lord, I would rather be alone

B **B/G#** **C#m** **C#m/A**

I press my fingers to the wood

B **B/G#** **A** **E/A**

To tell you of my dreaming

B **B/G#** **C#m** **C#m/A**

To sing you songs from olden times

B **B/G#** **A** **E/A**

To keep the love light gleaming

E **Asus2** **F#m** **B**

Cause there s a place where we can go

E/G# **C#m** **F#m** **B**

Where we will not be parted

B **B/G#** **C#m** **C#m/A**

And who alone will enter there?

B **B/G#** **A** **E/A**

Only the broken hearted

A **E/A**

Hear-art-ed
