

Can't Let You Do It
Eric Clapton

Intro: **Em, Am, Em**
G, E (3x)

Em
Well you got some high class baby
Steppin all over me
With your high tone and your blue line
Respectability

Am
You go down on the corner
Havin yourself a ball
EM
Changed your way of livin
I don t know you at all

G **E**
I can t let you do it
G **E**
I can t let you do it to me
G **E**
I know you re gonna do it

Em
But I can t let you do it to me

Em
If the sun don t shine no more
And the blue sky don t appear
The rainfall don t fall no more
I really don t think you d care

Am
You got so wrapped up, baby
In everything you do

Em
Been putting on the dog
You know
And I mean you

G **E**
I can t let you do it
G **E**
I can t let you do it to me
G **E**
I know you re gonna do it

Em
But I can t let you do it to me

Solo: **Em, Am, Em**

Em

If you don t shut down this banquet
If you don t shut down real soon
Gonna find yourself out on the street
Looking for another room

Am

You ve seen me on the corner
Having myself a ball

Em

Gonna change my way of livin
And you won t know me at all
