Verse 1

```
E          A          E*/G#
If I can reach the stars,
E          A          E*/G#
Pull one down for you,
E          A          E*/G#
Shine it on my heart
E          A          E*/G#
So you could see the truth:
A          D          E
That this love I have inside
E          D          A
Is everything it seems.
E          A          E*/G#
But for now I find
E          A          G#7
It s only in my dreams.
```

Even for a day,

I d take you as my queen;
E      A      E*/G#
I d have it no other way.
A      D      E*/G#
And our love would rule
      E      D      A
This kingdom we had made.
E      A      E*/G#
Till then I d be a fool,
E      A      G#7
Wishing for the day...
