A# A G#
The moment s come and gone
Gm F Em7b5
Every memory leaves a trace
D#maj7 G-7
All that I ve come to know
Gbdim G-7
In the lines upon my face

Every storm that I have turned
Each forgiveness I have earned
Every shame that s taught me grace
Gbdim G-7 G-7/F Em7b5
From you I have learned

Em7b5
No love is lost
F Fsus4 F
No love is lost

Eb Bb
That everything is shown to me
G-7 C7
I let it wash over me
Bb Eb
Like diamonds made of rain
G-7 D7
You can find joy inside the pain

Everything that I ve endured
For the wisdom of a pearl
I wouldn t change a thing
You can make diamonds from the rain

(Guitar Solo) **Eb Bb D7 G-7**
Bb Eb D7 G-7 G-7/F Em7b5

Every mile of this road
Every chord that s struck my soul
You are the melody
That will soothe me til I m old

If the promises are kept
I ll waive all of my regrets
I can say I ve overcome

With you, my heart is open

No love was lost

No love was lost

That everything is shown to me

I let it wash over me

Like diamonds made of rain

You can find joy inside the pain

Everything that I've endured

For the wisdom of a pearl

I wouldn't change a thing

You can make diamonds from the rain
