

Golden Ring  
Eric Clapton

A D A  
He gave to you a golden ring;  
E F#m D A  
It made you happy, it made you sing.  
D A  
And I played for you on my guitar;  
E F#m D A  
It didn't last long, we didn't go far.

Chorus

D A  
And though the times have changed,  
E F#m  
We're rearranged.  
D A E A  
Will the ties that bind remain the same?  
-----

A D A  
You came around after a while;  
E F#m D A  
Everyone said that I made you smile.  
D A  
It all went well, and suddenly then  
E F#m D A  
You heard that he would marry again.

Chorus

D A  
And though the times have changed,  
E F#m  
We're rearranged.  
D A E A  
Will the ties that bind remain the same?  
-----

A D A  
Well I know that I have been here before;  
E F#m D A  
I've trod on your wings, I've opened the door.  
D A  
If I gave to you a golden ring  
E F#m D A  
Would I make you happy, would I make you sing?
