

Key To The Highway

Eric Clapton

I got the [A] key to the [E] highway,
[D] Billed out and bound to go.
I m gonna [A] leave here running
[E] Walking s much too [A] slow. [D] [A] [E]

I m going [A] back to the [E] border
[D] Woman, where I m better known.
You know you [A] haven t done nothing,
[E] Drove a good man away from [A] home. [D] [A] [E]

When the [A] moon peeks over the [E] mountains
[D] I ll be on my way.
I m gonna [A] roam this old highway
[E] Until the break of [A] day. [D] [A] [E]

Oh give me [A] one, one more kiss [E] mama
[D] Just before I go,
I m gonna [A] leave this town, baby
[E] I won t be back no [A] more. [D] [A] [E]

I got the [A] key to the [E] highway,
[D] Billed out and bound to go.
I m gonna [A] leave here running
[E] Walking s much too [A] slow. [D] [A] [E]
