Lead Me On  
by Eric Clapton (Journeyman) 1989

**E**        **A**                **D**        **A**        **Bm**  
Tell me anything you think I wanna hear

**E**                    **A**  
Just to keep me standin here

**D**            **Fm#**    **E**  
To secure your shaky fears

**A**                                **D**            **A**            **Bm**  
Tell me you love me, but in your heart you know you don t

**E**                                **A**  
So you lie cause you think I want

**D**                **Fm#**                **E**        **F#**  
To make believe you love when you don t

CHORUS:

**Bm**    **G**                **Fm#**        **Bm**  
Lead me on, lead me on

**G**                **Fm#**        **Bm**  
Lead me on, lead me on

**A**    **Bm**    **A**    **Bm**  
I ll play along and along and along

**E**                **A**    **E**    **Fm#**    **E**        **A**    **E**    **Fm#**    **E**  
Baby lead me on

**D**    **A**    **Bm**    **A**    **D**    **A**    **Bm**    **A**  
Lead me on
