

One Track Mind
Eric Clapton

Tossing and turning all night long
Down in my pillow felt so strong
I Had to get up and write this song
Tell me, where do we go from here?

/ A Ab7 Dbm / - / - / - /

I d give anything to make you see
Your brand of lovin was made for me
what can I do to make you see
that with you I can t go wrong

/ A Ab7 Dbm / - / - / A Ab7 Dbm Bm7

All I do is pray
that you would come my way
No doubt about it, I ve got a one track mind

/ A Am / E F# / F#m7 / A B7 / E A / - / - / - / - /

You took my breath so easily
and You touched my heart so carefully
and You give your love so tenderly
and You can t do nothing wrong

And I got no time for no one else
and I got no love for no one else
cause I don t believe in no one else
with you I do belong

(chorus)

As far as I can see, the only one for me
No doubt about it, I ve got a one track mind
As far as I can see, the only one for me
No doubt about it, I ve got a one track mind

You take my breath so easily
and You took my heart so carefully
and You give your love so readily
and you can t do nothing wrong

(Chorus)
