

**Riding With The King**  
**Eric Clapton**

[Intro] **A7 B7**

**B7**

I dreamed I did a good job and I got well paid

**E7**

Blew it all at the penny arcade

**B7**

A hundred dollars on a kewpie doll

**E7**

I guess no white chick is gonna make me crawl

**G7**

**F7**

On a TWA, to the promised land

**E7**

Every woman, child and man

**G7**

Gets a cadillac and a diamond ring

**A7**

**B7**

**E7 A7**

Dont you know we re riding with the king?

**B7**

Hes on a mission of mercy to the new frontier

**E7**

Hes gonna check us all on out of here

**B7**

Up to that mansion on a hill

**E7**

Where you can get your prescription filled

**G7**

**F7 E7**

On a TWA to the promised land

**E7**

Everybody come on and clap your hands

**G7**

Dont you just love the way he sings

**A7**

**B7**

**E7 A7**

Dont you know we re riding with the king?

**D7**

**B7**

A red cape and shiny cold 45

**D7**

**B7**

I never saw his face but I saw the light

**G7**

Tonight everybody s getting their angel wings

**A7**

**B7**

Dont you know we re riding with the king?

**B7**

**E7**

Well I stepped out of a mirror at ten years old

**A7**

With a suit cut sharp, as a razor and a heart of gold

**B7**

I had a guitar hanging just about waist high

**E7**

**A7**

I m gonna play that thing until the day I died
