Eric Clapton

[Intro]

C F Dm G
Am Dm G F

[Verse 1]

C F
It s three miles to the river that would carry me away,
Dm G
and two miles to the dusty street that I saw you on today,
C F
It s four miles to my lonely room where I m gonna hide my face,
Dm G
and about half a mile to the downtown bar that I ran from in disgrace
Am
Lord how long have I got to keep on running?
Dm
Seven hours, seven days or seven years?
G F
All I know is since you ve been gone, feel like I m drowning
in a river

C
Drowning in a river of tears
F
Drowning in a river
Dm G C
Feel like I m drowning, drowning in a river of tears

[Verse 2]

C F
In three more days, I leave this town, in disappear without a trace,
Dm G
a year from now maybe settle down, where no one knows my face,
C F
I wish that I could hold you one more time to ease the pain,
Dm G
But my times run out and I got to go, got to run away again
Am
Still I catch myself thinking
Dm
one day I ll find my way back here
G F

And you ll save me from drowning,
