

Tulsa Time
Eric Clapton

G

Well, I left Oklahoma, driving in a Pontiac,

D

just about to lose my mind.

I was going to Arizona, maybe on to California,

G

where people all live so fine.

G

My mother says I m crazy, my baby calls me lazy,

D

but I m gonna show them all this time,

cause you know I ain t no fool and, I don t need no more damn schoolin .

G

I was born to just walk the line.

D

Living on Tulsa time, living on Tulsa time,
gonna set my watch back to it,

G

cause you know that I ve been through it, living on Tulsa time.

G

So there I was in Hollywood, thinking I was doing good,

D

talking on the telephone line.

They don t want me in the movies and nobody sings my songs,

G

my mama says my baby s doing fine.

So then I started winking, then I started thinking,

D

that I really had a flash this time.

That I had no business leaving, and nobody would be grieving,

G

you see I m on Tulsa time.

D

Living on Tulsa time, living on Tulsa time,
gonna set my watch back to it,

G

cause you know that I ve been through it, living on Tulsa time.

D

Living on Tulsa time, living on Tulsa time,
gonna set my watch back to it,

G

cause you know that I ve been through it, living on Tulsa time.
