

Save The Afternoon
Eric Himan

Eric Himan

Save the Afternoon (radio edit version, itunes) 2011

Capo 1st fret standard tuning

Am

There are lines that we set up

C

As you and I become us

G

F

When we start, there is less struggle when theyre crossed.

Am

But on days already rough

C

The lines get close enough to touch

G

Fm

And the smallest movement sets all the alarms off

Am

G

F

G

What takes so long to find can easily get lost

C

G

Am

F

Well I cant figure out what to do

C

G

Fm

Is there still time left to save the afternoon?

C

G

Am

F

Before we say something that isnt true

C

G

Fm

Is there still time left to save the afternoon?

Am

Ive said things that I regret,

C

some after days, some after breakfast

G

F

And I know my pride can get the best of me.

Am

C

But this is not some massive fire, destroying fields hour by hour

G

Fm

But it burns me up again when you leave angry

Am

G

F

G

So before you go please listen to my plead.

C

G

Am

F

Well I cant figure out what to do

C

G

Fm

Is there still time left to save the afternoon?

C

G

Am

F

Before we say something that isnt true

C **G** **Fm** **Am**
Is there still time left to save the afternoon?

Am
Save us from the silent treatments

C
Save us from the separate sleepin
G **Fm**
Save us from the thought that this could be the end.

Am
Hope in making the first move

C
Catch you thinking that same thing too

G **Fm**
That you crack that smile then we can start again

Am **G** **F** **G**
Lets use tonight to make our amends

C **G** **Am** **F**
Well I can't figure out what to do

C **G** **Fm**
Is there still time left to save the afternoon?

C **G** **Am** **F**
Before we say something that isnt true

C **G** **Fm**
Is there still time left to save the afternoon?
