

All Over Now
Eric Hutchinson

G

G A Bm
Call me crazy if you ve got it in you
 G A D
but these people don t seem to mind
G A Bm
sweet vermouth now you re telling me the truth
 G A D
a little stubbornness will work out fine
G A Bm
a botat the end of my rope
 G A D
but I m wondering where this rope began
G A Bm
gonna circle around what i couldn t help bring down
 G A D
it s just supply with demand

-Pre Chorus-

A D G
ooh...nothing looks the same
A D G
ooh...even when there s been no change
A D G
ooh...say that something s gonna give
 Em A
and it s all giving out on you

CHORUS:

 G A Bm
when it s all over now
 G A D
it s all over now
 G A Bm
it s no longer fun and it s all been overdone
 G A D
so it s all over now

- 2nd Verse-

 G A Bm
A large pickup truck with a little cargo towed
 G A D
gets from Baker s to the laundromat
G A Bm
these daily fights all start to sound alike
 G A D

i guess i m gonna have to live with that

G **A** **Bm**
short changed now it s getting even harder

G **A** **D**
to identify the repetition

G **A** **Bm**
short changed now it s getting even harder to identify the repetition

-Pre Chorus-

A **D** **G**
ooh...will i simply peel away
A **D** **G**
ooh...feels more likely everyday
A **D** **G**
ooh...say that something s gonna give
Em **A**
and it s all giving out on you

CHORUS:

G **A** **Bm**
when it s all over now
G **A** **D**
it s all over now
G **A** **Bm**
it s no longer fun and it s all been overdone
G **A** **D**
so it s all over now

-Bridge-

Em **A** **D** **A** **Bm**
and if you came here to tell me that you re sorry
G **A**
for the pain you couldn t cause
D **A** **Bm**
then save your breath and use it
G **A** **G** **A**
just to regain what you have lost and ooh...look at the cost

CHORUS:

G **A** **Bm**
when it s all over now
G **A** **D**
it s all over now
G **A** **Bm**
it s no longer fun and it s all been overdone
G **A** **D**
so it s all over now
