Verse 2

See her heavy make up and cut t-shirt
Every girl out wants to be her
But they look the same already why adjust
Reading the magazine secrets
Forgetting the topical regrets
If she comes home all alone the nights a bust
Itâ€™s a must the swivel in her hips
And the look she gives
Itâ€™s all her trust if only in the morning
She knew where she lived

CHORUS

If he wants to roll he rolls
Eb **Bb**
