Turninâ€™ It Out  
Eric Lindell

**A, C, F#m**

When your love comes tumblin down&#8232;  
You know I ll still be around&#8232;  
And when your love it comes undone  
&#8232;I ll still be the one&#8232;

**A, B, D&#8232;**

We ll be makin , makin somethin out of it  
&#8232;Turnin it out, that s all I can do&#8232;  
Makin , makin somethin out of it  
&#8232;Turnin it out, that s all I can do&#8232;

**A, C, F#m**

&#8232;All I can do now, all I can say  
&#8232;Our love is here to stay&#8232;  
So don t worry bout the past, baby&#8232;  
Our love will always last&#8232;

**A, B, D&#8232;**

We ll be makin , makin somethin out of it&#8232;  
Turnin it out, that s all I can do  
&#8232;Makin , makin somethin out of it&#8232;  
Turnin it out, that s all I can do&#8232;&#8232;

You always know I ll be around&#8232;  
When your love comes tumblin down&#8232;  
When your love it comes undone  
&#8232;I ll still be the one  
&#8232;&#8232;  
And we ll be makin , makin somethin out of it&#8232;  
Turnin it out, that s all I can do&#8232;  
Makin , makin somethin out of it&#8232;  
Turnin it out, that s all I can do&#8232;&#8232;  
We ll be makin , makin somethin out of it&#8232;  
Turnin it out, that s all I can do&#8232;  
We ll be makin love baby, makin love  
&#8232;Turnin it out, that s all I can do
