(Bm) There she (G) goes (D A)
Little (Bm) black dress (G) on (D A)
Standing (Bm) with the other (G) girls
Wearing (G) velvet and (A) pearls
Looking (Bm) so fine, (G) so fine (D A)
(A) All the times that she tried to catch my (F#m) eye
Now I hear that she s crushing on another (G) guy
Why do we always want what we can t (A) have

(Bm) I never really (G) wanted, (D) never really (A) wanted that (Bm) girl
I never really (G) wanted, (D) wanted her (A) in my (Bm) world
I never really (G) wanted that (D) girl, oh but (A) now I (G) do

(Bm G D A) x2

Never (Bm) noticed (G) how (D A)
A woman s (Bm) eyes can (G) dance (D A)

Leaves me (Bm) wondering, (G) wondering (D A)
(A) Why is it now I see her in a different (F#m) light
If I could turn back time I would (G) tonight
Why do we always want what we can t (A) have
