

Think about home when you re far away
Think about me when I wake up and you re gone
At the break of dawn
Think about us when we said forever
Think about me and remember I m alone
At the break of dawn
At the break of dawn

G

My hands were cold and dry

C

Your cheeks were red

G

We promised that we d love

C (hold)

forever, that s what we said

That s what we said
