[D]She came back to me  
[C] Aleast for a while  
[G] She brought with her some tests  
[D] She said as she smiled,

[D] Just got back from you  
[C] And started to get used  
[G] To knowing that she s been  
[D] So loving and so true,

[D] I m jealous of you  
[C] And the love that you feel  
[G] So early in this year  
[D] So suddenly you feel,

[D] I just got back from you  
[C] And now the tests conclude  
[G] I am the first to know  
[D] This loves inside of you,

[D]Leaving me forever  
[C] Again, good luck to you  
[G] Now I dream of me  
[D] With what s happening to you
