(A) **G**
After everything that we ve been through
E **G**
It makes me sad to make you see
A
that not a single tear could find me

Yeah

D **A** **Em**
Cuz even when I m looking back into your eyes
G
I can t say I m sorry
D **A** **Em**
When I think about the best days of my life
G
I can t say I m sorry
D **A** **Em**
Cuz I can never tell myself I didn t try
G **A**
I can t say I m sorry now
G **A**
I won t turn around
G
I can t say I m sorry

D, A, Em, G

So, I hear you re hanging with someone new
Never thought I would ask the question
No, I never thought I d say this to you
Somehow it feels like a blessing
No more could or would or should
Now that feeling s gone for good

Yeah yeah

Cuz even when I m looking back into your eyes
I can t say I m sorry

When I think about the best days of my life
I can t say I m sorry
Cuz I can never tell myself I didn t try
I can t say I m sorry now
I won t turn around
I can t say I m sorry

D, A, Em, G

Hm

Still devine still beautiful

F#

Won t be hard just to slip and fall

A

And my mind can start wonder away

E

Cause what we had was magical

G

But I know I ve said good bye oh

To whatever was left to know oh

Yeah

I won t say I m sorry now

Even when I m looking back into your eyes
I can t say I m sorry
When i think about the best days of my life
I can t say i m sorry
Cuz I can never tell myself I didn t try
I can t say I m sorry now
Yeah woh

Even when I m looking back into your eyes
I can t say I m sorry
When i think about the best days of my life
I can t say I m sorry
Cuz I can never tell myself I didn t try
I can t say I m sorry now
