Intro: **Am** - **C** - **G** - **F** (2x)

Am **C**
You hold your head up to the sky
G **F** **Am** **C**
Ya say What kind of blue are you?
G **F**
Are You?
Am **C**
Then you ride a pony round and round
G **F** **Am** **C**
It s digging a hole right through,
G **F**
Right through
Am **C**
You stumble down a yellow brick road
G **F** **Am** **C**
Spinning your shoes in the air
G **F**
The air
Am **C**
Then you, hold your breath and count to nine
G **F** **Am** **C**
Hoping that soon somebody will find you
G **F**
Find you

[Chorus]

F **C** **G**
Go on, go on, go on, the stars are watching
F **C** **G**
Just say, just say, just say, what you re feeling
F
You know, you know, you know,
C **G** **Dm F**
You gotta take a bow and do it your way
C **G**
It s ok -ay
Dm **F**
La dada dadada dadada
C **G**
It s ok -ay
Dm **F**
La dada dadada dadada

[Continue **Am** - **C** - **G** - **F** pattern, it repeats through the verse]

You re fifteen miles over the speed
You re going fast as ya can off to your daydream
Aoh
On your mark get set hurry away
You ll have a serious talk with your champagne
Aoh-**A**

[Chorus]

[Bridge]

Am
It s time for you to prove,
G **Dm** **F**
Within your ruby shoes you, deserve a smile with no regret
Am **G**
And look at you kicking off your shoes
Dm **F**
Dancing for the world to see
Am **G**
Got the power to believe now open up and see
Dm F **G**
And go be free and fly away -aa-aaaaa

[Chorus]
