Intro: Am - C - G - F (2x)

Am C

You hold your head up to the sky

G F Am (

Ya say What kind of blue are you?

G F

Are You?

Am C

Then you ride a pony round and round

G F Am C

It s digging a hole right through,

G F

Right through

Am C

You stumble down a yellow brick road

G F Am C

Spinning your shoes in the air

G F

The air

Am (

Then you, hold your breath and count to nine

G F Am C

Hoping that soon somebody will find you

G F

Find you

[Chorus]

F C G

Go on, go on, go on, the stars are watching

F C G

Just say, just say, what you re feeling

F

You know, you know, you know,

C G Dm F

You gotta take a bow and do it your way

C (

It s ok -ay

Dm F

La dada dadada dadada

C G

It s ok -ay

Dm 1

La dada dadada dadada

[Continue Am - C - G - F pattern, it repeats through the verse] You re fifteen miles over the speed You re going fast as ya can off to your daydream On your mark get set hurry away You ll have a serious talk with your champane Aoh-A [Chorus] [Bridge] Am It s time for you to prove, Within your ruby shoes you, deserve a smile with no regret Am And look at you kicking off your shoes Dancing for the world to see Am Got the power to believe now open up and see And go be free and fly away -aa-aaaaa [Chorus]
