Intro: **Bm** - **D** - **A** - **G** (2x)

Bm **D**
You hold your head up to the sky
A **G** **Bm** **D**
Ya say What kind of blue are you?
A **G**
Are You?
Bm **D**
Then you ride a pony round and round
A **G** **Bm** **D**
It s digging a hole right through,
A **G**
Right through
Bm **D**
You stumble down a yellow brick road
A **G** **Bm** **D**
Spinning your shoes in the air
A **G**
The air
Bm **D**
Then you, hold your breath and count to nine
A **G** **Bm** **D**
Hoping that soon somebody will find you
A **G**
Find you

[Chorus]

G **D** **A**
Go on, go on, go on, the stars are watching
G **D** **A**
Just say, just say, just say, what you re feeling
G
You know, you know, you know,
D **A** **Em G**
You gotta take a bow and do it your way
D **A**
It s ok -ay
Em **G**
La dada dadada dadada
D **A**
It s ok -ay
Em **G**
La dada dadada dadada

[Continue **Bm** - **D** - **A** - **G** pattern, it repeats through the verse]

You re fifteen miles over the speed
You re going fast as ya can off to your daydream
Aoh
On your mark get set hurry away
You ll have a serious talk with your champagne
Aoh-**B**

[Chorus]

[Bridge]

Bm
It s time for you to prove,
A **Em** **G**
Within your ruby shoes you, deserve a smile with no regret
Bm **A**
And look at you kicking off your shoes
Em **G**
Dancing for the world to see
Bm **A**
Got the power to believe now open up and see
Em G **A**
And go be free and fly away -aa-aaaaa

[Chorus]
