CHORUS0

[G] Thanks, thanks a [Em] lot

I got a broken [G] heart that s all I [Em] got

You made me [G] cry and I [C] cried a lot

I lost your [G] love, [D] honey, thanks a lot. [G]

You told our [Em] friends I was passing by [G]

That you re not [Em] sorry that you made me cry [G]

You said I deserved just [C] what I got

Well, if that s how you [G] feel, [D] honey, thanks a lot. [G]

CHORUS

You wanted a fool, and I played the part

Noow all I ve got is a broken heart

We loved a little and you laughed a lot

Then you were gone, honey, thanks a lot.
