[Verse 1]
                   C
Oh, I dove into the deep end of religion
                C
and I found it much to difficult to swim
â€^{\text{m}}til I gave up and cried, â€^{\text{m}}Jesus, come and save me,
                 D
        Αm
come and save me,― so He saved me â€" Now I'm
[Chorus]
Em
           Am D
Sailing with Jesus
out on the open water
Breezing together on the tide
Em
I'm sailing with Jesus
          G
I'm such a blissful sailor
                C
                     D
Sailing with the Savior by my side
              Am D
Ooh, Ooh, Ooh, Ooh, Ooh, Ooh, Ooh.
[Verse 2]
                      C
        Em
Don't we try to make it all so complicated?
Don't we blind ourselves to all the mystery?
                        D
When His love is just as peaceful as the ocean
                       D
And it's easy, just like breathing â€" And I'm
[Chorus]
            Am
Sailing with Jesus
          G
