

My Heart Is With You
Ernie Halter

It s a nice song and I m pretty sure it s right.Listen for the timing, etc.
If by some outlandish plot twist this is wrong somewhere email me at
know it s corny)

A **D A**

I am in GA

A7 **D7 A7**

7am

A **D A**

My planeâ€™s laid over

E **A E**

While you lay in your bed

Amaj7

I hate to leave you

Dmaj7 **A** **D A**

Wish I didnâ€™t have to

E **D**

I am in GA

A **E**

But my heart is with you

Taxi and take off

Now my headâ€™s in the sky

2000 miles across, 30,000 feet high

I write this song, to get me through

My headâ€™s in the sky,

E **D** **A** **A7**

but my heart is with you

D7 **A7**

I pretend youâ€™re right beside me

Bm7

You take off your dress

E7

Fall asleep on my chest

Iâ€™m back in LA

But it doesnâ€™t feel like home

I just found this shirt

One you placed in my suitcase

Smells like your skin and a bit of your perfume

Iâ€™m back in LA

But my heart is with you

I pretend youâ€™re right beside me

You take off your dress

Fall asleep on my chest

Iâ€™m back in LA

But it doesnâ€™t feel like home

I just found this shirt

One you placed in my suitcase

Smells like your skin and that Tom Ford perfume

E

Iâ€™m back in LA

D **A**

But my heart is with you

E

Iâ€™m back in LA

D **A**

But my heart is with you

E

D

A

Wherever I go, my heart stays with you
