Bleed For Me
Escape the Fate

[Verse 1]
```
Bm                            G
I miss that look in your eye
                               D
How your body felt on mine

Remember everything
A                     Bm
I remember everything
                       G
I m saying sorry again
                              D
 Cause it s you I can t forget

There s something more to this
     A
I know there s something more to this
```

[Chorus]
```
        Bm                  G
Would you bleed for me like I bleed for you?
        D                    A
Would you tear your heart open? Tell me the truth
        Bm                  G
Would you bleed for me like I bleed for you?
    D                    A              Bm
Even if I was broken, broken like you
```

[Verse 2]
```
Bm                            G
I miss the taste of your lips
                              D
Feeling your breath on my skin

Remember everything
A                     Bm
I remember everything
                              G
I hope one day things can change
                              D
 Cause you re worth all of the pain

I keep on holding on
A
I just keep on holding on
```

[Chorus]
```
        Bm                      G
Would you bleed for me like I bleed for you?
        D                          A
Would you tear your heart open? Tell me the truth
        Bm                    G
Would you bleed for me like I bleed for you?
    D                 A           G
Even if I was broken, broken like you
```

[Bridge]
```
                 Em
Somebody save me
         D
I feel like I m on my own
    A                     G
Even when I m alone with you
                  Em
Somebody save me
            D
When you hold me in your arms
            A                     G
I don t know if I belong with you
```

[Chorus]
```
        Bm                      G
Would you bleed for me like I bleed for you?
        D                          A
Would you tear your heart open? Tell me the truth
        Bm                  G
Would you bleed for me like I bleed for you?
    D                 A
Even if I was broken, broken like you
        Bm                  G
Would you bleed for me like I bleed for you?
        D                          A
Would you tear your heart open? Tell me the truth
        Bm                  G
Would you bleed for me like I bleed for you?
    D                 A
Even if I was broken, broken like you
```
