

Cellar Door
Escape the Fate

Dm **C**
We walk through the doorway, heard you calling from the hall
Dm
To find you in the bedroom not breathing at all
C
I drug your body to the cellar where we lay, the wax it melts away,
I kiss your face...

Bb **Am** **Bb**
Now we are starting to love you more
C
Your body s on the canvas I painted on the floor

Dm **Bb** **Am**
C **C/Db**
Now you wait, like the drug, like the change in the pain it goes on for so long
Dm **Bb** **Am** **C**
C/Db
And oh, how it hurts in the worst way, now that you re gone, it s so wrong, it s
so
Dm
wrong....

Dm **C**
If I could take you somewhere, I d take you to the darkest place,
scatter you in art forms, admire the whore
Dm **C**
beauty in different ways, your hands on picture frames
your eyes in the glass wear your face as a mask

Bb **Am** **Bb**
Now they are starting to love you more
C
a gallery of your beauty, no charge at the door

Dm **Bb** **Am**
C **C/Db**
Now you wait, like the drug, like the change in the pain it goes on for so long
Dm **Bb** **Am** **C**
C/Db
And oh, how it hurts in the worst way, now that you re gone, it s so wrong, it s
so
Dm
wrong....

Gm **Dm**
And down below your veins run dry your vacant eyes

Gm **Dm**
I lost control your face is pale, your body s cold

Gm **Dm**
And down below your veins run dry your vacant eyes

Gm **Am** **Am/C#**
I lost control your face is pale, your body s cold
(Face is pale, your body s cold)

C **C/Db** **Dm** **Bb** **Am**
Now you wait, like the drug, like the change in the pain it goes on for so long

Dm **Bb** **Am** **C**
C/Db
And oh, how it hurts in the worst way, now that you re gone, it s so wrong, it s
so

Dm
wrong....

It s so wrong (Repeated with chorus chords)
