

**Friends And Alibis**  
**Escape the Fate**

Tuning: Standard (EBGDAE)

my first tab.....anyway, most of the chords are there i cbf figurin out the rest. its good enough.

Figure out the changes and strumming pattern for urself

**Dm** **Am**  
Oh,I hate to be the one to bear the bad news;

**A#** **C**  
Yes it is true,I finally fell in love.

**Dm** **Am**  
I fell so hard that I m killing myself;

**A#** **C**  
Yes I need out,out of this grave that I dug.

**Am** **A#** **Dm** **C**  
And all the friends that I have gone thru;  
**Am** **A#** **Dm** **C**  
And how much I deserve the pain,it s a shame.

**F** **Am** **A#**  
So hold your head,hold it up high;  
**C**  
here s to the friends that were alibis.

**F** **Am** **A#**  
Keep this close,by your side;  
**C** **Dm**  
When I come home,We will have our night.

Oh,they always told me I was gorgeous in a way;  
And the fateful day,I found who I was.  
So fill this hole with my prescriptions;  
I just keep feeding my addictions.  
And all the friends that I have gone thru;  
And how much I deserve the pain,it s a shame.

So hold your head,hold it up high;  
Here s to the friends that were alibis.  
Keep this close,by your side;  
When I come home,we will have our night.  
(We will have our night)

You were the ones that stood by my side,Whoa;  
And I was the one that fought all of your fights.Go!

(Hold your head,hold it up high)Whoa;  
(Keep this close,by your side)Whoa.

So hold your head,hold it high;  
Here s to the friends that were alibis.  
Keep this close,by your side;  
When I come home,we will have our night.

Hold your head,hold it up high;  
Here s to the friends that were alibis.  
Keep this close,by your side;  
When I come home we will have our night.(2x)

We will have our night.
