**INTRO:G-B-C**

**VERSE:G-B-C**

You said this could only get better  
There s no rush cause we have each other  
You said this would last forever  
But now I doubt if I was your only lover

**Refrein:C-D-E**

Are we just lost in time?  
I wonder if your love s the same  
Cause I m not over you

**Chorus:G-B-C**

Baby, don t talk to me  
I m trying to let go  
Not loving you is harder than you know  
( Cause girl you re driving me so crazy)
