

Its Just Me
Escape the Fate

You can use what ever tuning suits your voice!

[Intro and Verse 1]

Am **F**
Im creeping my way out, so you can see me
F **Am**
Im crawling my way around a thousand cities
Am **F**
You all stop and stare; I donâ€™t need your pity
Am **F**
Im leaving my life in this hell

Am **F**
Now Im crawling away â€™cause the stress has killed me
F **Am**
I feel like a fell from a ten story building
Am **F**
You best try and hide before the devil starts her bidding
Am **F**
Im living my life in this hell!

[Pre-Chorus]

D
Im not one for the crowd to see
G **Em**
Its just me, its juuuustâ€™|

[Chorus]

Am **F** **G** **Em**
Just a little more, come on and satisfy me
Am **F** **G** **Em**
Just a little more, come on and terrify me
Am **F** **G** **Em**
Just a little more and Ill be done with this
Em **G** **Em G Am**
Take my life and then Ill feel okay

[Verse 2]

Am
Cut it out of my mouth
G **Em**
Put my tongue on a pole
Am
I wont sing anymore
G **Em**
How Im losing control
Am

Cut it out of my mouth

G **Em**

Put my tongue on a pole

Am

Take the air from my lungs

G **Em**

Take the heart from my soul
