Verse 1:

Growl:
Em
   We have to find
a better way
                    C
Out of this tragedy
As the battle rages
          D
on Blood Strikes
the clabbered hood
Em
   My ears they hurt like shit
                      C
Great soldiers are dying
What part is this alone
                D
You Shoot This War
     C   **D**
is Ours This war is ours

Chorus 1:

Sing:
```
C       Bm        Em        D
   Yes I will see you through
                  C
the smoke and flames
         Bm               Em
On the frontlines of war
```

Growl:
```
We have to find
           C
a better way
```

Sing:
```
     Bm          Em
And I will stand my
D                    C
ground until the end
          Bm              Em
till we conquer them all
```

Growl:
```
we have to find
a better way oh
```

Verse 2:

Growl:
```
Em
   Through the fire
and the flames
we are dead time
          C
bid its stay
We march the fight
into the cold
you shoot it as
D
far as it will go
Em
   the middle is
a covered hill
this is where we
        C
conquer them
arm the cannon
with a shot
      D        C
This war is ours yeah
      D
```

this war is ours

(Repeat Chorus 1)

```
Em                       D
   till we conquer them all
```

Sing:
```
Em              C
   Yes I will need you
D                        Em
through the smoke and flames
On the front lines of
C   D Em             C
war     And I will stand my
D                  C
ground until the end
                          Bm
till we conquer them all
Em                       C
   we will conquer them all
         D              Em
we will conquer them all
         D/F#            G   Am
we will conquer them all
```

Sing:
```
C(hold)
   Yes I will see you through
the smoke and flames
                          Bm-C-Bm-G
On the frontlines of war
     Bm        Em
```

```
And I will stand my
D                C
ground until the end
        Bm              Em
till we conquer them all
C          Bm        Em
   should I will find my
G                    C
ground until the fall
        Bm              Em
till we conquer them all
                            G
till we conquer them all
