**G#m**

I walked around

**F#**

People passed

**G#m**

The sun went down

**F#**

It changes fast

**E**

And through my days

I ve found some ways

**F#**

to hide my thoughts

But what s the cost

**E**

And if I may

Leave some trace

**C# F#**

Just pretend

**G#m**

It s such a good day for dying

**F#**

But still I ve never been crying

**G#m**

So maybe I should keep waiting

**F#**

For God and me to be dating

**G#m F# G#m F#**

**G#m**

I walked on down

**F#**

Through my past

**G#m**

Wondering how

**F#**

Those streets would last

**E**

And through my days

I've found some ways

**F#**

To hide my thoughts

But what's the cost

**E**

And if I may

leave some trace

**C# F#**

Just pretend

**G#m**

It's such a good day for dying

**F#**

But still I've never been crying

**G#m**

So maybe I should keep waiting

**F#**

For God and me to be dating

To play like the record, change Gm to F#m, F to E, D# to D, C to B and move the intro a fret down (the first two notes will then be G|-4-4-|), but it sounds better to play it the first way.
