I walked around

G
People passed

Am
The sun went down

G
It changes fast

And through my days
I ve found some ways

G
to hide my thoughts
But what s the cost

F
And if I may
Leave some trace

D G
Just pretend

Am
It s such a good day for dying

G
But still I ve never been crying

Am
So maybe I should keep waiting

G

For God and me to be dating

Through my past

Wondering how

Those streets would last

And through my days

I've found some ways

G

To hide my thoughts

But what's the cost

F

And if I may

leave some trace

D G

Just pretend

Am

It's such a good day for dying

G

But still I've never been crying

Am

So maybe I should keep waiting

G

For God and me to be dating

To play like the record, change Gm to F#m, F to E, D# to D, C to B and move the intro a fret down (the first two notes will then be G|-4-4-|), but it sounds better to play it the first way.
