

Look Like Her
Espen Lind

Capo in 6th

C **F**
Wish I could explain exactly how I feel
C
In my heart, my head, my body
F
When you re near
Am **G**
I wish I knew which words to say
F
When you call my name and I begin to studder
Am **G** **F**
Wish I knew what I could do to make you fall for me

C **G** **Dm**
Cause I, I have been waiting all my life
F **C**
For someone to come and put things right
G
Never knew who she was
Dm **F** **C**
Never knew what she looked like Till now
G **Dm**
Everyone said that I would know
F **C**
When she appears it s gonna show
G **Dm** **F**
And now you are here and from where I m standing
C
You look like her

Everybody needs somebody to see them through
I ve been around the world
But baby, here are you
And it s not fair for all these years
I ve been right here and only now i find you
Wish I knew what I could do to make you fall for me

Cause I ,I have been waiting all my life
For someone to come and put things right
Never knew who she was
Never knew what she looked like
Till now
Everyone said that I would know
When she appears it s gonna show
And now you are here and from where I m standing

You look like her

Nobody moves me like you do

Everything`s right when i`m with you

You`re all that i need

You`re all a could hope for

Oh yeah

Everyone said that I would know

When she appears it s gonna show

And now you are here and from where I m standing

You look like her
