to yourself

Good Morning Fire Eater (copeland Cover) Esteban Tavares

G Wake up your eyes And darling, your smile The day is done and everyone s gone now You can taste every fire And hold every song The world has moved Be quick enough to not miss it now So wake up your eyes Α G And darling, your smile Refrão: I m afraid you ve stopped to lick your wounds Dear, do you know? I m afraid you ve stopped to lick your wounds Wake up your eyes Darling, it s time To hope that forever they ll dry out It never takes long And everything s gone I only know her beauty won t fade out Back on your side Darling, you lie...

I m afraid you ve stopped to lick your wounds

A G

Dear, do you know?

D

I m afraid you ve stopped to lick your wounds

G

Cause it s no good if you can t have it all

D

A

I d give it back but I never stole the first part

Refrão:

The kindest love is still bleeding from the last shot

Α

And it always goes when you need it most
