

Malaguena Rumba Intro
Esteban Tavares

NOTE: after each string you pick it must be followed by open plucking 1st string

{ Em } { Am } {last 2 notes are back in Em }

```
1)--0-0-0---0-0-0---0-0-0-0--0-----|
2)----0-----0-----1-0-----|
3)---1-----1-----2-----2--0-----|
4)-2-----2-----3---2-----|
5)-----|
6)-----|
```

just something fun to play and girls seem to dig it so its all good!!
very easy * more of a spanish guitar song, sounds awesome on steelstring ac. but

just as good on electric too so jam out.

(its the song they play in desperado with Antonio banderasnew movie carlito s
way, rise to power, which in that version they have each string
cool)
