

Malaguena Rumba Intro

Esteban Tavares

NOTE: after each string you pick it must be followed by open plucking 1st string

{ Em } { Am } {last 2 notes are back in Em }

1) --0-0-0---0-0-0----0-0-0-0--0-----|

2) -----0-----0-----1-0-----|

3) ---1-----1-----2-----2--0-----|

4) -2-----2-----3---2-----|

5) -----|

6) -----|

just something fun to play and girls seem to dig it so its all good!!
very easy * more of a spanish guitar song, sounds awesome on steelstring ac. but

just as good on electric too so jam out.

(its the song they play in desperado with Antonio banderasnew movie carlito s
way, rise to power, which in that version they have each string
cool)
