

Smokers In Airplanes
Esteban Tavares

Intro: **G F**

G

I m lost by your faith

F

I guess this is over

G

Take my gun away

F

Cause I don t wanna die anymore

G

Speak for yourself

F

If you need attention

G

Don t think you re gonna change the world you live

F

By singing la la la la

G

F

La la la la lalalala (2x)

G

F

I m tryin to awake without nightmares and lovers

G

F

But the voice inside my head is just singing la la la la la

G

F

La la la la lalalala (2x)

Bb

F

Help! You can save me now (2x)

G

I m locked in these chains

F

And time is running over

G

F

Just give me the keys cause we don t need to fight like before

G

The present is future that already pass

F

And old melodies are the only things that last

G

F

La la la la lalalala

Bb **F**

Help! You can save me now (2x)

Bb **F**

Help me! Save me now!

Bb **F**

Somehow we can make it loud

G

I m trying to hide myself

Like smokers in airplanes

F

Like kids on the streets who just want to sing

G **F**

La la la la lalalala
