Smokers In Airplanes Esteban Tavares Intro: G F G I m lost by your faith I guess this is over Take my gun away Cause I don t wanna die anymore G Speak for yourself If you need attention Don t think you re gonna change the world you live By singing la la la la La la la lalalala (2x) I m tryin to awake without nightmares and lovers But the voice inside my head is just singing la la la la La la la lalalala (2x) Help! You can save me now (2x)I m locked in these chains And time is running over Just give me the keys cause we don t need to fight like before The present is future that already pass

And old melodies are the only things that last
