

I don't ever want you to go,

**Ama j**

Please stay.

**Dma j7**

With the moonlight dancing free,

**C#m7**

And there's no one but you and me,

**Bm7**

There's no reason to go astray,

**Ama j**

Please stay.

[Riff]

**Dma j7**

Making up a story,

**C#m7**

It's the way you're looking at me,

**Bm7**

If you think that this is funny,

**Ama j**

it's just you.

Try and think about it,

If your heart is closed don't lock,

Keep your keys back in your pocket,

Think this through.

[Solo]

(Use same chord as above)
