```
Strangers
Estrons
[Intro]
F# C# F# C# F# C# G# C#
F# C# F# C# F# C# G# C#
[Verse 1]
F#
              C#
                      F#
i could never find the power to love
                  C#
                         G#
voice of reasons always giving up on me
                      F#
              C#
i could never find the power to leave
F#
                  C#
                         G#
                                          C#
fear of change is always catching up with me
[Pre-Chorus]
                         F#
                C#
                                      C#
it s over again and it s started again
                          G#
                 C#
swear i hurt you with the best intentions
                    C#
                          F#
and it s over again and it s started again
                    C#
swear my conscience needs an intervention
[Chorus]
          C#
                                    G#
i ve been trying to change myself again (i try, i try, i try)
                                   G#
won t you please just take me as i am (i am, i am, i am)
[Verse 2]
                      F#
             C#
i could never find the power to lie
            C#
                    G#
even when i did the guilt would catch my eye
             C#
                      F#
i could never find the power to see
F#
                           G#
                  C#
all the blessings that had been shone down on me
[Pre-Chorus]
F#
                C#
                         F#
                                      C#
it s over again and it s started again
                          G#
                 C#
swear i hurt you with the best intentions
                    C#
                             F#
and it s over again and it s started again
```

```
F#
                    C#
                                          C#
                              G#
swear my conscience needs an intervention
[Chorus]
                                     G#
F#
          C#
i ve been trying to change myself again (i try, i try, i try)
                                    G#
won t you please just take me as i am (i am, i am, i am)
F#
          C#
                                     G#
i ve been trying to change myself again (i try, i try, i try)
                                    G#
won t you please just take me as i am (i am, i am, i am)
[Bridge]
F#
and we re strangers again
yeah we re strangers again
A#
seeing everyone through clouds of emotion
F#
and we re strangers again
                           C#
yeah we re strangers again
A#
breaking everything but all in slow motion
[Instrumental]
F# C# A# F# C# A#
[Chorus]
i ve been trying to change myself again
          C#
F#
won t you please just take me as i am
F#
          C#
                                     C#
i ve been trying to change myself again (i try, i try, i try)
F#
          C#
won t you please just take me as i am (i am, i am, i am)
F#
          C#
                                     G#
i ve been trying to change myself again (i try, i try, i try)
                                    G#
won t you please just take me as i am (i am, i am, i am)
[Outro]
              C#
                       F#
                                     C#
i could never find the power to know
F#
                  C#
                          G#
guess i ll figure it out on my own
```
