

**Brisa Nocturna**  
**Eterna Inocencia**

Intro: SOL RE LA DO  
Oooooooooohhhh!!!

SOL RE LA DO (Todo el tema igual)  
i'm sure i am not just telling you lies  
the strange things i've experimented...  
you won't believe it, but it's true my friend  
no sounds, no people  
just no one

i'm sure i'll never gonna feel things like this  
'cause this is life, or maybe more!!!  
with friends and people you met day by day  
beautiful places to enjoy...

... la brisa nocturna roza tu cara  
al paso firme de tu skate!!!

you won't believe it, but it's true my friend  
no sound, no people, just no one!!!
