

I Believe In Love
Eterna

Fm **Eb**
You arrived in my life as the light
Fm **Eb**
Illuminates the darkness
C# **Fm**
In a past of nightmares
C# **Eb**
At the end of a tunnel I see your light

C#m
Living a new emotion
F#
If you believe in dreams
E
With you I can get it
F# **Eb**
For everything you have a way

Ab **Cm**
I believe in love
Fm **Eb**
For all eternity
Ab **Cm**
I need you

Fm
I know you love me
Cm7 **Fm** **F**
I need you now

I open my passionate eyes
To look at my love for the rest of my life
And never ignore my destiny anymore
Announcing days of prosperity

Living a new emotion
If you believe in dreams
With you I can get it
For everything you have a way

I believe in love
For all eternity
I need you
I know you love me
I need you now

I live my new world

Where nature makes me feel good
For all my life
