I Believe In Love Eterna

Fm Eb

You arrived in my life as the light

Fm Eb

Illuminates the darkness

C# Fm

In a past of nightmares

C# Eb

At the end of a tunnel I see your light

C#m

Living a new emotion

F#

If you believe in dreams

E

With you I can get it

F# Eb

For everything you have a way

Ab Cm

I believe in love

Fm Eb

For all eternity

Ab Cm

I need you

Fm

I know you love me

Cm7 Fm F

I need you now

I open my passionate eyes
To look at my love for the rest of my life
And never ignore my destiny anymore
Announcing days of prosperity

Living a new emotion

If you believe in dreams

With you I can get it

For everything you have a way

I believe in love

For all eternity

I need you

I know you love me

I need you now

I live my new world

Where nature makes me feel good For all my life
