

1245 Stripped

Etham

[Verse]

F
Itâ€™s 12.45 on a Tuesday
C
And I donâ€™t really care what you say
Dm **Bb**
Iâ€™m just getting off my face tonight
F
Cause Iâ€™m just tryna live to the weekend
C
And I donâ€™t know how Iâ€™m supposed to breathe when
Dm **Bb**
Everything you say is playing on my mind

[Chorus]

F
You donâ€™t know where Iâ€™ve been
C
And you donâ€™t know what Iâ€™m drinking
Dm **Bb** **Bbm**
I need a moment to think about nothing at all
F
Oh baby you gotta stop
C
I see that youâ€™re calling
Dm **Bb**
I told you that I ainâ€™t picking up
F
I know that you wanna start
C
Cause we got our problems
Dm **Bbm**
I love you but I just need tonight off

[Verse]

F
Itâ€™s getting pretty deep in the AM
