

All I Could do Was Cry  
Etta James

(intro) **Ab Db Eb Ab**

**Ab Db Eb Ab**  
I heard church bells ring  
**Db Eb Ab**  
I heard a choir singing  
**Db Eb Ab Fm**  
I saw my love walk down the aisle  
**Db Eb Ab**  
on her finger he placed a ring

(N.C.)  
Whoahhhh whoah..

**Db Eb Ab**  
I saw them holding hands  
**Db Eb G**  
She was standing there with my man  
**Db Eb Ab Fm**  
I heard them promise, Til death do us part  
**Db Eb Ab**  
Each word Was a pain in my heart

(chorus)

**Db Eb Ab**  
All I could do was cry  
All I could do was cry  
**Db Eb Ab Fm**  
I was losing the man that I love  
**Db Eb Ab**  
and all I could do was cry

**Db Eb Ab**  
And now the wedding is over  
**Db Eb Ab**  
Rice, rice has been thrown over their heads  
**Db Eb Ab Fm**  
For them life has just begun  
**Db Eb Ab**  
but mine is at an end

Ohh oh... (chorus)
