

**Vampire Casino**  
**Eugene McGuinness**

Capo at second fret

**G**

**C E**  
your lucky numbers arrive

**Am**  
In the roll of the dice

**D7 G C**  
In the fire of your eyes where there once was love

**C E**  
I heard they kicked you out to the back road

**Am**  
Of the Vampire Casino

**D7 G C**  
Still clutching thirteen chips and spitting blood

**Fm G**  
You were climbing up a decent din

**C E Am**  
A scarlet tear-drunk singing

**D7 G C**  
One day I will make the women throw

**Fm G C**  
You were dialling up more endless ghosts of your past

**E Am**  
But it s left ringing

**D7 G C**  
Cos they see your name appear when the screen glows

**G C E**  
Did you hear the laughs and the gasps

**Am**  
From a cast in the play

**D7**  
You were a hit

**G C**  
You were off-script and in love

**G C E**  
It was just two hours to go

**Am**  
Before the Vampire Casino

**D7 G C**

Took your hat, sat you down and sucked your blood
